**Re: Hagan for U.S. Senate, Inc.
FEC ID No. C00457622**

Dear Mr. Whyrick:

This is in response to your letter dated September 29, 2014 concerning the July Quarterly Report (4/17/14-6/30/14) of Hagan for U.S. Senate (the "Committee").

You ask about 48 hour notices that you believe may have not been filed. An explanation for each donor on your schedule is provided below.

The Committee filed a 48 hour notice disclosing the contribution from Kay Chalk on 4/20/14 and the contribution from Lisa A. Blue Baron on 4/25/14.

The following donors made their contributions through a conduit: Julia Cohen, John Hart, Susie Scher, Thomas Hoberman, William Little, Jr., Paul Mengert, Don Montgomery, Katie Oates, Nancy Silver, Edward Snowden, Leo Hindery, Karen Mills and Thomas Fay. The dates that you list on your schedule for these donors are the dates that the conduit received the contribution; the date that the Committee received the contributions, as noted on the report, was 5/6/14 which was after the 48 hour reporting period.

The last page of the 48 hour notice filed on 4/25/14 appears to have been cut off during transmission. The contribution from Elizabeth Woody and the two contributions from the American Wind Energy Association WINDPAC were on this page. The Committee's fax confirmation shows that all seven pages of the fax transmission were received and therefore we were unaware that the page had been cut off until this letter was received.
